

Ballard Elks Paddling Club Membership Form

The Ballard Elks Paddling Club (BEPC) is an all paddle craft club open to any Elks member in good standing. The club offers paddle craft storage options to members, access to a members-only Facebook page to connect with paddlers, as well as social gatherings, which include events, meetings and group paddles.

The BEPC meets monthly every third Thursday at 7:30 p.m. in the Ballard Elks Lodge Hall, with the exception of summer and winter holiday months.

There is an annual membership fee to cover administrative costs and to offset any club activities.

Dues can be paid by check, made out to the Ballard Elks, and must be received by the BEPC Treasurer. We are not able to take digital payments.

Please fill out the membership form and contact the BEPC Treasurer at the email address below for current membership fee and how to process payment.
